I'd be lyin' if I said
I never prayed for this
I can show you here and now
How much love, you've missed

I'm happy that you're sad
I know that sounds so wrong
But darlin' you must know
The pain's gone on too long

Come in out of the pain
Let me dry your tears
He's been gone for days
And I've loved you for years

Lay down in my arms
There ain't no shame
But don't you stand there girl
Come in out of the pain

Well, I know how, a heartache feels
Shattered when it breaks
And if you believe in me
He'll be your last mistake

I can't stop the wind
And I can't stop the rain
But I can promise you
That I can stop your pain

Come in out of the pain
And let me dry your tears
He's been gone for days
And I've loved you for years

Ohh, lay down in my arms
There ain't no shame
But don't you stand there girl
Come in out of the pain
(Come in out of the pain)

Let me dry your tears
(Come in out of the pain)
Girl, I've loved you for years and years and years
