Yes it's getting very late

Honey please don't make me wait

Come on kiss me again

And I'm so in love with you

That I don't know what to do

Kiss me again

Kiss me again

Every time I see you

Oh now honey

Sensation fills my soul (don't you know)

How' I'd love to have you

And I'm never gonna let you go

Kiss me again

Let me whisper in your ear

Now the time is drawing near

Kiss me again

Kiss me again

Every time I see you

Darling every time

Sensation in my soul (in my soul)

How I'd love to hold you

And I'm never gonna let you go
