Honey there's something I've got to say to you

Oh I know I haven't told you before

But it wasn't until the other night

When you told me you loved me

That I felt that I should tell you this

You got a smile so bright

You know, you could have been a candle

You're holding me so tight

You know, you could have been a handle

The way you swept me off my feet

You know, you could have been a broom

The way you smell so sweet

You know, you could have been some perfume

Well, you could have been anything that you wanted to

And I can tell the way you do the things you do

(the way you do the things you do)

As pretty as you are

You know, you could have been a flower

If good looks caused a minute

Oh, you could have been an hour

The way you stole my heart

You know, you could have been a cool crook  
And baby, you're so smart (baby you're so smart)  
You know, you could have been a school book  
Well, you could have been anything that you wanted to  
And I can tell the way you do the things you do  
(the way you do the things you do)  
You made my life so rich  
You know, you could have been some money  
And baby, you're so sweet  
You know, you should have been some honey  
The way you stole my heart  
You know, you could have been a cool crook  
And baby, you're so smart (baby you're so smart)  
You know, you could have been a school book  
Well, you could have been anything that you wanted to  
And I can tell the way you do the things you do  
(the way you do the things you do)  
The way you swept me off my feet  
Oh, life is complete  
You make my life so bright  
Oh, you're gonna feel all right  
The way you swept me off my feet
