Open your eyes and tell me what you see you see me
hanging by the neck from a tree swingin around like a
carnival until my eardrums pop and start to bleed so
you and your bitch get on your knees praise my name
and worship me 222 X 3 do the multiplication and you
got me now is the time for me to rise and strip the
disguise and stop telling lies and rise to power as lord
of the flies you better cover up your virgin eyes
because im gonna slice and cut and stab and nab
every life that i can grab and if you get in the way then
I'll be glad and send your fucking ass home in a body
bag

Shit
Allthelegendsandrumorswere
Right
My god
Shit
Allthelegendsandrumorswere
Right
My god

Im back like shaq havin a crack attack while he's
fiendin for smack swallowin a triple stack tying his
spine in a knot fucked up like he was shot like that
dude tupac but who gives a fuck just smoke this rock
like an electric shock that runs through your cock and
makes the blood clot so I'll call triple A to drive the rest
of the way 'cause im only halfway to being driven
insane so I'll snort snowcain to rot my brain and then I'll
eat your children like edward gein like method man
imma bring the pain like a clockwork orange singin in
the rain if you step to this you gonna slip and fall and
I'll stand in the corner and make the call in the middle
of the galeria mall follow you around and stab you in a
bathroom stall

Shit
Allthelegendsandrumorswere
Right
My god

Shit
Allthelegendsandrumorswere
Right
My god

Forever and always (a lot)

Shit
