2 of a kind  
Too young to lie  
Old enough to cry  
About anything  
But a childs  
Life

Mary and norma bell  
No relation  
Both from hell  
Lollipops and candy canes and broken scissors and  
razor blades  
All these things make for play  
Cold lifeless body with letters engraved

I murder so that i may come back X2

This dilemma  
To stay and watch  
A life slip away  
You're guilty  
Guilty

Little girls play with dangerouse toys  
Like the health and welfare of even younger boys  
And all the infants that she may destroy  
Will be redeemed by this musical exploit  
1 to 10 complete confusion 10 to 16 institution

-chorus-

She chose to kill X3  
Her childhood thrill

2 little girls named F and F carved a capital M into his  
chest as the child gasped for breathe she squeezed  
his neck till there was nothing left norma and mary  
danced and played and visited all of their victims  
graves attention felt like center stage int he book of  
murder this is another page

One more time  
To show respect  
To little martin and his dead friends
