I walk so far to start over again
No new beginning if you never had an end
As i drag myself across this cold tile floor
I look at everything we used to be
I couldnt ask for more
Sometimes pain was unbearable
Other times were bliss
I love the time we had but i hate the time we missed
So now i walk alone
Cold and on my own
I wish i had a place to go i wish i had a home

But as i think
My eyes sink to black
If i could change the way i was i would take everything
back
Now i walk alone
Cold and on my own
I wish i had a place to go i wish i had a home

As i turn all these white tiles red
I listen to the screaming inside my head
A past is a fate that comes worse than death
With that in mind i take my last suffocated breath
Now for scorn and forelorn
And i don't understand why it happens to me
All over again
And again
And again
And again
And again
And AGAIN

But
