### "A Walk Outside"

Let's take a walk outside  
Just you and me  
For an on-foot ride  
Follow me, I'll lead the way  
We can talk all night  
Sleep all of the day

If you're cold  
You can have my coat  
It will keep you warm  
On this icy road  
If you're sad  
I'll be there for you

It's hard to find the words to say  
What my heart wants to convey  
I wish it was easy to say

The truth is  
You strengthen me  
You lift me up  
High above the trees  
I'm floating when I'm with you  
You're the one for me  
And I know it's true

You're the ground  
I'm planted on  
Without you  
I'd be long, long gone  
You're always by my side

It's hard to find the words to say  
What my heart wants to convey  
I wish it was easy to say
