Saw a pretty girl
I knew she was out of my league
Blonde hair, blue eyes, standing tall at my right hand
side
I said, "Hey why not, just give it a shot"
Then she blew me down, right on the spot
She got me broken hearted
I'm broken hearted [x2]
For her

Well it turns out she's got a boyfriend
He's 6'5" and on the football team
He kicked my ass back in 1993...
Yeah that's right about the time he got laid
Blonde hair, blue eyes, standing tall at my right hand
side
She got me broken hearted
I'm broken hearted [x2]
For her for her for her

Well her boyfriend found out that I liked her
So he shoved me into a locker
Yeah, I just found out, he's a big faucker, but
It turns out I'm still here in my locker
Blonde hair, blue eyes, standing tall at my right hand
side
She has me broken hearted
Broken hearted
Broken hearted... for her
