"Great Day"

Does your hot teenage daughter dress too sexy for her age?

And flaunt her thick, ample, supple flesh... publicly?

Are you an overweight, undereducated, inarticulate mother with missing teeth?

A southern accent, and/or a heavy drinking problem?

Will your hot, bikini clad nymphet teen, swear at you,

Shaking a white doughy flesh and cocking her head

Using a distinctive urban African American vernacular?

Will she be uncontrollable in a room full of people booing her?

Will she lash out screaming dirty secrets about what really

Goes on in your trailer at night?

Then we need you both on our show!

Please just call 1-800-Lucifer.

Oh what a great day to be alive.

What a great day to be alive and wide-awake!

Are you tired of others hogging the spotlight?

Have you always been a wallflower

Or a shrinking violet wanting to be the life of the party,

Top of the invite list and the most desirable, enviable

And eligible player on the scene, and the center of

attention?

Well you need cocaine!

Yes cocaine is the trick in any social situation.

All of your stories will be funny, and the non-stop
confidence

That you will feel will bring you right out of your shell.

Women will follow you into the bathroom

And you will be inspired and moved and encouraged to
talk

Endlessly about yourself! Sound worldly, witty and
informed,

Because you with cocaine!

Common side effects are dry mouth, lockjaw, paranoia
and diahorea,

9 out of 10 people tested did not experience, beating
or addiction,

Anti-social behavior or sudden death by massive
coronary when given a placebo.

So ask your concert promoter about cocaine today!

Oh what a great day to be alive.

What a great day to be alive!

You've got social disorders, bad body odor

You've got a problem, and we've got the answers

What a great day to be alive and wide-awake!

(Guitar solo)

I swear, if I win the Miss ButterMilk of Milita Hills, Idaho
Falls Pageant,

I will use my newfound celebrity to educate my less
attractive

And thereby underprivileged teen peers on self-

esteem and posture.

Without good posture, you will not be noticed and that's a tragedy.

I will show them that it's not about being pretty or skinny

Or symmetrically and beautifully accessorized.

No, it's not about that! It's about people!

People needing people!

Because we are, as Jesus Chris himself said from Mount Olypus,

The luckiest people in the world!

Oh what a great day to be alive.

What a great day to be alive!

You've got social disorders, bad body odor

You've got a problem, and we've got the answers

Social disorders, bad body odor

Don't get some problems, yes and we've got the answers

Oh what a great day (great day)

Just to be alive and wide awake

Oh what a great day (great day)

Just to be alive and wide awake

And wide awake
