It was not ever my scene
To be homecoming queen
Or to hang from the sleeve
Of the captain of the football team
That's not what I am
And no a princess I will never be
My fingernails are chipped, my mind is dirty
Everything about me just about screams
I am the anti-debutante
And I'm the child of a common man
Thank God, I am what I am, hell yeah
And all my life I tried to be what was expected of me
And that led to loneliness and misery
And all the bullshit lying inbetween
Well, no thank you, man
Say...
Thank God, I am what I am, hell yeah (x2)
Thank God.
(Instrumental break)
It was not ever my scene
To be homecoming queen

Or hang on the sleeve of anybody

Yes...

Thank God, I am what I am, hell yeah (repeat)
