She's a whore, and she's the dirt you've been gunning
for

She's a whore, and she is evil to the core

She's a whore, a dirty low-down scheming whore

That's what she is if that's what you think of her

Look at him he's no good, the man is not behaving the
way you think he should

Coz he's no good, you ought to burn him down like fire
wood

He's no good at all, he's no good at all

That's what he is if that's what you think...

Well, have I mentioned YOU'RE INSANE!

I think there's something missing from the side of your
brain

Because you're insane, hey man they ought to throw
the key away

You're insane, and you're afraid

And that's what you are if that's the way you think about
it.

(Instrumental break, with ad-libs)

I am your desire, I am your favorite lick of fire

I am your desire, well here I am all wet and wired

I'm your desire, yeah I am, yes I am

That's what I am if that's what you think of me

That's what I am if that's what you think of me

That's the way it is, baby, if that's the way you think

Oh, that's always what it is, that's what you think baby

Oh no, that's what you think baby
