The Devil said to Jeremiah "come with me my son"

Take my hand and walk with me, you'll be the lucky one

In this room there is a lady, naked and compromised

Don't fuck up and do the right thing

The Angel said "No Jeremiah, listen not to he!

He will damn your soul with pleasure, walk instead with me.

Take my hand and walk my way, find joy in righteousness

Don't fuck up and do the right thing"

Jeremiah said:

We only get one life, we only get one soul

And all we're ever told is

Don't fuck up and do the right thing

The Devil said "Hey Jeremiah, I have in my left hand

A single pill that when ingested will make you a mighty man

Take it now with honey wine and you shall be king!

Don't fuck up and do the right thing

We only get one life, we only get one soul

And all we're ever told is

Don't fuck up and do the right thing

(Repeat last verse)

We only get one life, we only get one soul (x2)

Don't fuck up (don't fuck up and do the right thing)
