All my life, I've been a little bit fucked up

And all my family turned away

But every day, I try to be better

In every way

But I don't have to prove a thing to you

You don't know me and I don't owe you, do I?

I've done drugs and my share of drinking

And all my friends have been right there with me

And Money's tight but some things will get better

And we'll be alright

CHORUS:

It's not a lie when I say, things could be better

Not a lie when I pray for things to get better

When I say I'm alright, don't look in my eyes

Cause I'm not alright (but I'm trying)

Life is hard, but I've got my armour

Everything bounces off of me

Everytime someone tries to get me

Victory is mine

I don't wanna do the thing to do that

Erase me and embrace you (do I?)

CHORUS REPEAT

(But I'm trying to be alright)

All my life, I've been fucked up

And all my family's turned away

But every day, I keep trying

To win someday

CHORUS REPEAT

(But I'm still trying)

CHORUS REPEAT
