Breaking out of my life's soap  
I'm on the prowl I'm on the road  
Bitten with a strong desire  
I dive into a sheet of fire

I'm not swimming with the current  
I kick up a big storm  
My emotions are a torrent  
Not easily, not easily to form

My time has come to take control  
I heed the voice right from the bottom of my soul  
I show my hand  
My ace in the hole  
I'm dancing on your grave  
Your heads will roll

One smart apple smells the new trend  
Knows the source of jive  
The pack follows the lead lemming  
Lured by the flashy life

I aim for the sky  
I am on my way  
Now it's up to you  
Please don't follow me

My time has come to take control  
I heed the voice right from the bottom of my soul  
I show my hand  
My ace in the hole  
I'm dancing on your grave  
Your heads will roll

Now it's up to you  
Please don't follow me

My time has come to take control  
I heed the voice right from the bottom of my soul  
I show my hand  
My ace in the hole

I'm dancing on your grave  
Your heads will roll

My time has come to take control  
I heed the voice right from the bottom of my soul  
I show my hand  
My ace in the hole  
I'm dancing on your grave  
Your heads will roll
