Let it go! Let it go!  
Let it go! let it go!  
Go Go Go Go  
Let it go! Let it go!  
Go Go Go Go

Somebody tell me how  
Turn back the hands of time (tell me why did I let you  
in)  
I must have been crazy,  
Thought you were my baby and I was your lady  
Was it you, was it me  
It's time to play the blame game  
You bring out the worst in me  
I've giving you all in vain

I wish I never met you  
Cause I don't want to know how it feels to miss you  
I wish I never met you  
From your love can't escape, how I hate the way that I  
love you  
Oh Oh Oh Oh  
I hate you  
Oh Oh Oh Oh  
I love you  
Oh Oh Oh Oh  
I hate you  
Oh Oh Oh Oh  
I love you

Loving you is killing me  
Get out of my head (Every song reminds me of you)  
Memories of you  
Did you ever love me or just pretending? (pretender)  
Was it you, was it me  
It's time to play the blame game (was I just a game)  
You bring out the worst in me  
I've giving you all in vain

I wish I never met you  
Cause I don't want to know how it feels to miss you

I wish I never met you  
From your love can't escape, how I hate the way that I  
love you  
Oh Oh Oh Oh  
I hate you  
Oh Oh Oh Oh  
I love you  
Oh Oh Oh Oh  
I hate you  
Oh Oh Oh Oh

It's time to let it go  
Of all the hurt and pain  
It's time to let it go  
It's not about you  
It's time to let it go  
I need to free myself  
I forgive you, I forgive you

Let it go! Let it go!  
Go Go Go Go  
Let it go! let go!  
Let it go! Let it go!  
Still

I wish I never met you  
Cause I don't want to know how it feels to miss you  
I wish I never met you  
From your love can't escape, how I hate the way that I  
love you  
Oh Oh Oh Oh  
I hate you  
Oh Oh Oh Oh  
I love you  
Oh Oh Oh Oh  
I hate you  
Oh Oh Oh Oh  
I love you

After all is said and done  
You are the worst thing that ever happened to my life  
Let it go! Let it go!  
Let it go! Let it go!  
Let it go! Let it go!
