We'll never betraye our brothers  
United we stande in this fighte  
We swore allegiance together  
This fire will never die  
Bounde by the oathe, a faithe to defende  
We're storming into victory  
If it's not in your bloode your won't understande  
Metal is the pride we feele

We're bounde by the oathe sworn in bloode  
Faithe and pride

We will never surrender  
No on can take our grounde  
Thou art the chosen warrior  
Thy Metalhearte shall pounde  
The courage to battle, the power to win  
The forces are standing to strike  
The legions have assembled  
Brothers are fightning at thy side

We're bounde by the oathe sworn in bloode  
Faithe and pride, Metalheads unite  
Bounde by the oathe sworn in bloode  
Brave and stronge, Metalheads unite
