Where 's the Truth behind that black wall?  
Why living in a Dream that I recall?  
Why do I feel anxious & afraid?  
Seeking a reason to betray?

I'm chasing reasons, against the clock  
All the Memories are coming back  
I reveal the Secrets in my Mind  
Memories that I deny!

Soon the words of Truth shook the Air  
You never tried to hide your despair!  
You 're the Treasure of my Heart & Soul  
Like the Seasons change & the River flows

I'm chasing reasons, against the clock  
All the Memories is coming back!  
I reveal the Secrets in my Mind  
Memories that I deny!

[Chorus:]  
Reflections of Reality  
I will never be too blind to see!  
In all my Hopes & fears  
Are You the one that I hold Dear!

Wings of tomorrow!  
No prayer of my sorrow!  
No reason to hide!  
Leave my Memories behind!
