Feel's like i been here before,  
In this cold city  
Holdin you're hand through the night  
You're lost and scared

You're solid as a rock and you can  
Carry the world but deep inside your  
Soul, you're still the  
Little girl

[Chorus]

Te dua te dua my kosovo girl  
Te dua te dua my kosovo girl  
I'll keep your secrets deep in my heart  
But i can't take another bedtime story  
From the streets of prishtine

Ruins, wailings of prayers all around  
This city  
The ones that you loved made you hate  
In the name of pride

But you can carry you're dreams right  
Upon my shoulders hold on to our  
Love your past is getting colder

[Chorus]

Te dua te dua my kosovo girl  
Te dua te dua my kosovo girl  
Gimme your heart, set it free let it fly  
Don't give yourself another bedtime  
Story from the streets of prishtine

Laughin, cryin, lovin. dyin,  
One will rise

[Chorus]

Te dua te dua my kosovo girl  
Te dua te dua my kosovo girl  
I can see it in your eyes,  
You'll get all you want with me

Let's keep our little melody...  
Far from pristine
