( Chorus )

She Gots Me Wonderin Thinking Bout Her  
She Gots Class And Long Smooth Hair.  
All That I see, She Just Wanna Be  
Tryna Fight The Thoughts But  
She Gots Me Wonderin Thinking Bout Her  
She Gots Class And Long Smooth Hair.  
All That I see, I Just Wanna Be  
Tryna Fight The Thoughts But She Got's Me

( Bridge )

Baby Help Me Think This Out.  
Tryna Figure Ways I'd Forget About  
Me And You Or.  
What It Was Supposed To Be  
But.. But.. Youve Got Me

( Verse 1. )

Money Dont Mean A Thing If I Dont Got You By My side  
If You Aint Down To Try If You Aint Down To Ride  
I Guess You Shouldn't Be By My side  
Cause At The End Of The Night  
Im'a Make Everything Alright  
Im's Change It Up Im'a Switch it up  
Im'a Get You Right By Tonight  
Look. I Would Give Anything And If You  
Would Give A Second Chance  
I'm Just Tryna Be Your Man Tryna Work Things Out  
See What I'm Talking About.  
Everything You Do For Me I'm Tryna Give Back To You  
You Are My Dream Come True Baby Em Your Dream  
Come True Part 2.

( Chorus )

( Bridge )

( Verse 2 )

I'm Talking Nice Again, Nice To Him.  
You Should Be In My Life Again  
But I Dont Want To Go Back  
Cause You Be Straight Up Liking Him

I'm Not Tryna Be Like Another Man Fighting Him  
But You Should Be With Me. You Should Be With Me  
He Got Long Hair Like Me, He Walk Just Like Me  
He Talk Just Like Me, He Practically Is Me  
But Hes Not Your Bug Like I Am And Thats What You  
Need.  
Cause Baby You Got Me!.And I Dont Know Why Your Still  
In  
My Mind. But I'm Tryna Let You Go
