### "Forlife"

For life! Just because what!  
This time I cry for life. I feel you beside me.  
I hear your heart beating then it stops.

Why? For life! Just because what!  
So far away, it's inside for me.

Using my time so slowly.  
Again you give me your life and you fail.

Why? For life! Just because what!  
So far away, it's inside for me.

This failure won a broken side of me.  
It's hard to bleed these tears. Better life for me.

So far away, it's inside for me
