YEAH!!

Drop the tailgate, drop the tailgate  
Fuck the jailbait, drop the waterway  
Roll the sleeves up  
Pump up that sound, let's go  
Rock the dance floor, rock the dance floor  
Throw the punch, man  
Get what ya paid for  
Toss a kid like a spiral football, fool

We know, we know  
You're throwing punches to prove yourself  
And it's all for show  
But you're not impressing me, yeah  
This life was built on heart and soul  
And it doesn't mean a thing to you  
But it's all we know  
It's all we know  
It's all we know  
It's all we know  
But it's all we know

YEAH, GO!

What's the game plan, what's the game plan?  
Prove to them you're built like a real man  
Flex your ego and dominate the show  
No discretion, no progression  
You'll perform for a chance at big shot  
You are the punchline to this pathetic joke

We know, we know  
You're throwing punches to prove yourself  
And it's all for show  
But you're not impressing me, yeah  
This life was built on heart and soul  
And it doesn't mean a thing to you  
But it's all we know  
It's all we know  
It's all we know  
It's all we know  
But it's all we know!

But it's all we know!  
But it's all we know!
