If you close your eyes, Your life, a naked truth
revealed,
Dreams you never lived and scars never healed
(Scars never healed)
In the darkness life will take you to the other side,
And find me waiting there you'll see if you just close
your eyes.
If you just close your eyes.
(If you just close your eyes)

Deceived by my eyes and all I was told I should see.
Opinions not mine, The person they taught me to be.
One night in the dark of vision of someone I know,
And out of the darkness I heard a voice say I'm you.

Inside of me a light was turned on. Then I was alive.

If you close your eyes, Your life a naked truth revealed,
Dreams you never lived and, scars never healed
(Scars never healed)
In the darkness life will take you to the other side,
And find me waiting there, you'll see if you just close
your eyes.
(Close Your Eyes)

Hearts uninspired, trapped inside somebody's dream.
To close to the fire, Yet cold and so numb with the pain.
But the fever is broken, and the river has run to the
sea.
Washed to the ocean and saved by a voice inside me.

Inside of me a light was turned on, Then I was alive.

If you close your eyes. Your life a naked truth revealed,
Dreams you never lived and scars never healed
(Scars never healed)
In the darkness life will take you to the other side,
And find me waiting there you'll see if you just close
your eyes.

(If You just close your eyes. If You just close your eyes)

Never thought I would be here, so high in the air.
This was my unanswered prayer.
Defined by another, so much wasted time,
Out of the darkness, each breath that I take will be
mine.

If you close your eyes, Your life, a naked truth
revealed,
Dreams you never lived and scars never healed
(Scars never healed)
In the darkness life will take you to the other side,
And find me waiting there you'll see if you just close
your eyes.
If you just close your eyes.
(If you just close your eyes)
