Yeah, yeah  
Yeah, yeah

Walking example of you  
Just wait for the silence  
Talking backwards to you  
It meant nothing to me

Watching the world fall on you  
I'm keeping my eyes closed  
Now I can see what this means to you  
It meant nothing to me

This wasted, so many nights and again  
I've wasted, so much time on a friend  
Too young, too proud to understand  
So this is the end

Perfect timing for you  
You'll run 'til your legs break  
So here's my reminder of you  
It meant nothing to me

This wasted, so many nights and again  
I've wasted, so much time on a friend  
Too young, too proud to understand  
So this is the end, go

We should've seen this coming  
We should've seen this  
Yeah yeah  
Yeah yeah

This wasted, so many nights and again  
I've wasted, so much time on a friend  
Too young, too proud to understand  
So this is the end

This wasted so many nights and again  
I've wasted so much time on a friend  
Too young, too proud to understand  
So this is the end

Yeah, this is the end
