I will
I'll will fight (fight), this fight (fight)
These footsteps pressing downward
And I will break (break), these chains (chains)
That bind me from myself
So now I can say
(Say)
(Say)

I will walk (walk), this path (path)
Right down your false direction
I will find (find), myself (self)
Tear open these eyes
And now I can say
The truth shall set me free

When the sun is gone
And the rain starts to fall
I will be the one
I will rise through it all

I will take (take), this chance (chance)
To break from your traditions
And I will burn (burn), your worth (worth)
I'll burn all that you said
And I'll finally face (face), this day (day)
With my eyes open wide
And I will erase (erase), your lies (lies)
Tear off this disguise
And now I can say
The truth shall set me free

When the sun is gone
And the rain starts to fall
I will be the one
I will rise through it all
When the sun is gone
And the rain starts to fall
I will be the one
I will rise?

Rise up through it all

Rise through it all
Rise through it all
Your lie

And I will be the one to rise up through'all
The truth shall set me free
The truth shall set me free
The truth shall set me free

No...
No?

I will
I will'rise
Through this I will?.rise
Through this I will?.rise
Through this I will?.rise
Through this I will rise
The truth shall set me free

When the sun is gone
And the rain starts to fall
I will be the one
I will rise through it all
When the sun is gone
And the rain starts to fall
I will be the one
I will rise?
Rise up through it all

Rise through it all
Rise through it all
Rise through it all (through it all)
Rise through it all
