I've swallowed every hook  
Fallen for their disguise  
Lived by the book  
Felt the blade of the knife  
As it pressed against my neck

We're taught to imitate  
Segregate and divide  
Do what we're told  
Rise and fall with the time  
If we refuse to play the part  
Then they will hear us screamin'

Wake up the voiceless  
Wake up the revolution  
Whoa, we are alive tonight

Wake up the voiceless  
Wake up the revolution  
Whoa, we are alive tonight

They advertise your life  
Through a blanket of lies  
Expand the truth  
So their profits will rise  
Ignore the sacrifice

Wires cast in stones  
At the gods that create  
We're amplified  
To provide what they take  
If we refuse to play the role  
Then they will hear us screamin'

Wake up the voiceless  
Wake up the revolution  
Whoa, we are alive tonight

Wake up the voiceless  
Wake up the revolution  
Whoa, we are alive tonight

Go

There's a reason for defiance  
We can't ignore  
With the promise of a new day  
This is a war

The blood will spill  
The voices will be heard  
And tonight we are alive

I swallowed every hook  
Falling for their disguise  
Lived by the book  
Felt the blade of the knife  
But I refuse to play the role  
And they will hear me screamin'

Wake up the voiceless  
Wake up the revolution  
Whoa, we are alive tonight

Wake up the voiceless  
Wake up the revolution  
Whoa, we are alive tonight

Wake up the voiceless  
Wake up the revolution  
Whoa, we are alive tonight

Wake up the voiceless  
Wake up the revolution  
Whoa, we are alive tonight  
Whoa, we are alive tonight

We are alive tonight  
We are alive tonight  
We are alive tonight  
We are alive tonight
