"Greed Motivates"

Look into your eyes, inside your head
Greed motivates all the things that you said
Now I realize, you have no regrets
Further yourself at other people's expense
You always get
The things you want
You get what you want, not matter how you get it
Screwed yourself this time I won't forget it
I see just who are
Nothing is sacred and nowhere's too far
You gotta get yours, whatever it takes
Perfectly fine with the fact that you are a fake
Banged out, without a doubt
Laggin' in the gutter give you something to think about
Big mouth on your punky ass, the mouth in your neck
Is writing checks that you can't
Cash, here I stand
Work it out in my head, so I don't have to use my hands
You can bet someone is going to put you down
Welcome to life
What goes around comes around
