I know that you think

Am I a loser cause you've

Seen me fail

Are you a winner cause you

Take no risks

I know the future will avail

Lessons and I'm better for it

Cause when I struggle I get to

Know me

Push the ceiling on what I achieve

If I fail I'm never ashamed

It gives birth to ideas for today

Wanna be on a pedestal

Gonna sit there all alone

Everyone will look at you

All they'll do is look at you

Notice how everyday

People forget yesterday

Doesn't matter who won or lost

Don't ask me cause I forgot

Cause when I struggle I get to

Know me

Push the ceiling on what I achieve

If I fail I'm never ashamed

It gives birth to ideas for today

Tell me how I will know if I don't try

Stand where you stand get a good view

What is right for me is wrong for the other guy

Probably sucks for you
