They say that if you love somebody  
you gotta set them free,  
and if you really love somebody  
you gotta let them be.,

well i dont wanna tie you down  
but we both need room to grow,  
but its so easy havin you around  
and the hardest part of love,  
is letting go.

its easy to depend on someone  
to be part of your life,  
and all the time you spend with someone  
could make you hold to tight,

will i dont wanna tie you down  
we both need room to grow,  
but its so easy havin you around,  
and the hardest part of love is letting go

the hardest part of love is  
lettin go oohh  
the hardest part of love is  
letting go

they say that if you hold on to it  
that its gunna slip away,  
but if the feeling is really true  
then you know its gonna stay

well i dont wanan tie you down  
we both need room to grow,  
but its so easy havin you around  
and the hardest part of love is,  
letting go

letting go,

letting go,

the hardest part of love is  
letting go!!
