Been a long time I've been running,
By your house to see if you're home.
Car in the drive, but there's no lights on.
Been a long time I've been callin,
But you won't pick up your phone
I hate your goddamn call id.

(Chorus)
Awfully quiet
By myself think I'll sit and smell your bra.

Been a long time crawling in the bushes by your house
I see you've found another guy
Been a long time running from your new boyfriend
tonight,
I do not think he likes me much

(Chorus)
Awfully quiet
By myself think I'll sit and smell your bra.

.....(Go).....
