I'm not a superhero,  
I'll never fly through your window or crash through  
walls cuz you say so.  
I'm not an evil genius,  
I never meant to play mind games or tried to fuck up  
everything.  
I'm through with you,  
I'm through with you.  
The bridge has burned,  
Another lesson that I've learned.  
I'm moving on,  
I'm moving on.  
I've realized, should have listened to myself.  
I'm not that superficial.  
You never wanted to grow up  
I never wanted to give in.  
You think that your so special,  
You might be partly right but you should stop being so  
damn selfish.  
You never wanted to do anything  
And you always told me that I'm not one to give  
And everytime I thought it was my fault it's you.
