Kick it!  
I gave props to the Beastie Boys while we were making  
out,  
It was my favorite song by them.  
You told me I do not care,  
I promise you that "I do I swear,  
It's just Paul Revere, and I can't concentrate."  
This is not about the Beastie Boys,  
I'm tired of you and all your ploys.  
MCA, AD Rock, and Mike D  
Could never come in between you and me.  
You said you think they just did.  
I know that there's obviously more shit fucked up  
between you and me.  
It's not just on the surface.  
You always said that I was brain-dead,  
I never let that go to my head.  
You were a prize that was in demise, for way to long.  
You walked away when things were astray,  
I'm not going to chase you today,  
You are alone, I am alone, and it's killing me.  
Lets go!
