I wanna be lying on the beach,  
Frying in the sun like eggs and bacon.  
And you told me  
That you'd rather be stuck in this town  
If Im not mistaken.  
I wanna go where no one knows my name.  
You wont be there either because you're stupid.  
I wanna see, hills of Italy,  
Floating in a boat out on the ocean.  
And you told me  
That you'd rather be married and settled down  
There's a notion.  
I wanna go to Detroit Michigan.  
I wanna go to East L.A.  
Id rather be visiting New Jersey.  
Id rather be anywhere else but here with you.
