Life is changing  
I can't go on without you  
Rearranging  
I will be strong  
I'll stand by you

You were fighting everyday  
So hard to hide the pain  
I know you never said goodbye  
I have so much left to say

One last song given to an angel's son  
As soon as you were gone  
As soon as you were gone

I have a new life now  
She lives through you  
What can I do  
I feel so alone now  
I'll pray for you  
We still love you

You were fighting everyday  
So hard to hide the pain  
I know you never said goodbye  
I have so much left to say

One last song given to an angel's son  
As soon as you were gone  
As soon as you were gone

One last song (I can't believe you're gone)  
Given to an angel's son (I can't believe)  
As soon as you were gone  
As soon as you were gone
