

Strange Occurrence

"Inside"

Up late last night

I tried to hide

Something just ain't right

I can't deny

Tears in my eyes

I see through their lies
All my hope says goodbye
I just want to die

When will I know

I've seen the light
I don't know

How to get inside

Take me as I am

Here I am again

With my arms raised to the sky

Give me wings to fly
When will I know
I've seen the light

I don't know

How to fly

Here I stand
A lonely broken man

I've been torn apart

Can you fix my heart?

Fix my broken heart?

I feel like I'm falling falling

I feel like I'm falling down
I feel like I'm swimming swimming

Pick me up so I don't drown

Take my hands, give me grace

I feel like I'm losing faith
