

Strange Occurrence

Drowning underneath my skin

Feels like I'm dying in my sin
I am forced to look within

Heads or tails who decides my fate?

Can I save myself or is it too late?

I can't believe You would die for my sake

Cuts on my arm imprison me
Trapped by the lies inside of me

Only You have the key
Let me out, release me

I've been searching for You

For a thousand years or so

I've been looking for You

And I've got nowhere else to go
