Sunrise upon my eyes
Another day to start again
The pain of my past fades away
As the breeze of Your love blows
Upon the face that no one knows
Your sacred hands they hold my broken heart

And I am just a cup of water
That You can turn to wine
And I am just a crippled beggar
That's left his bed behind
Though I struggle all the time
Pressing onward to the line
You uphold me when I fall aside
As I near that distant goal
I will never run alone
As long as You are by my side

I am just a cup of water
You can turn to wine
And I am just a crippled beggar
That's left his bed behind

I am just a cup of water
You can turn to wine
And I am just a crippled beggar
And I've left my bed behind

Sunrise upon my eyes
Another day to start again
The pain of my past fades away
