[Verse 1]

Find myself
Lookin' for
Some company

Beautiful
Multiplied by two

One is only half as much as it could be, Baby
With you, Woah Yeah

[Chorus]

Would you be my hey
How do you feel
Would you be my angel with sex appeal
Would you be my sweet taste of caramel
My kiss and tell
My kiss and tell

[Verse 2]

Animals are makin sense
Their seasonal
Relationships
Let's begin
I'll be your friend
You're bendinere
Cloudy or clear

I'll still be here
I'll still be here, yeah

[Chorus]

Would you be my hey

How do you feel
Would you be my angel with sex appeal
Would you be my sweet taste of caramel
My kiss and tell

[Verse 3]

No reason to be shy
No pleasures to deny

No promises to keep
Ain't the one thing worth losin' sleep baby

Do you know what that is x 3

All I want is someone to believe in me
To be free with me

[Chorus]

Would you be my hey
How do you feel
Would you be my angel with sex appeal
Would you be my sweet taste of caramel
My kiss and tell
My kiss and tell

My kiss and tell
My kiss and tell
Yeah
Yeah
Yeah
