You've got your kitty cat

You've got your little house

& now you're hollywood

Oh you're so hollywood

You've got your blue streaks in your hair

& now you're punk rock

So bend on over here

Ooh so I can fill you up

Got sugar

Polluters

So sewer

But it's taking too long...

Oh you're so hollywood

Ms. fake dumb

Oh you're so hollywood

Show me dirty

Oh you're so hollywood

Stoned & purring

Oh you're so hollywood
