I called but, no one answered

Il face these demons on my own

I told a lie, but no one knew the truth

I lost my breath, I found you

And it reminds me to remember, life is short and so's  
my temper

And it reminds me to remember, good times don't last  
forever

It sure aint heaven

But it's not so bad,

And purgatory is hell to me,

But it's not so bad,

Take me down way to repitition,

It's not so bad

Lets take the longway home, it's not so bad

I was on the bus, u were on my mind

I missed my stop, was the end of the line,

I walked the long way home that night,

Not halfway there, I saw the light!

And it reminds me to remember, life is short and so's  
my temper

And it reminds me to remember, good times don't last  
forever

It sure aint heaven

But it's not so bad,

And purgatory is hell to me,

But it's not so bad,

Take me down way to repitition,

It's not so bad

Lets take the longway home... its... not... so... bad
