Thousands of vendings kvÃ|rn around in my head
(Ooooh)
I'm sitting here thinking on what the gammel man said
(Ooooh)
If you wanna do it, you must try - just legg i way (Waah-ooh)
Maybe you can do i morra what you can't do today

Thousands of vendings kvÃ|rn around in my head
(Ooooh)
I'm sitting here thinking on what the gammel man said
(Ooooh)
My gammel man said one each is his own luck's smith
(Waah-ooh)
That's it simpelthen overhead not nÃ¥ to do with

The one who first comes to the mill
Is him who first gets painted
He also said if you sleep in telt
Make sure that it is raintett

Thousands of vendings kvÃ|rn around in my head
(Ooooh)
I'm sitting here thinking on what the gammel man said
(Ooooh)
There's nothing that is so shit that it's not good for nÃ¥
(Waah-ooh)
Kommer times kommer road, we are all sammen in the
same bÃ¥t

The one who first comes to the mill
Is him who first gets painted
He also said if you sleep in telt
Make sure that it is raintett

Whistle
