You leave me waiting alone,
Somethin doesn't seem quite right about it.
Call you on the phone,
Somethin doesn't seem quite right about it.
Still wanna be with me,
They say no but I think they're lying bout it.
I think you do but I've been wrong.

Won't you turn on the light.
Somethin to help me through the night.
They keep tellin me you're gone,
But they're wrong cause you're still here.

And they keep tellin me,
Telling me that I love you.
And you keep tellin me,
Telling me you love me too.
And they keep tellin me
Telling me that I love you.
You keep sayin you love me too.

(Guitar Solo)

And they keep tellin me,
Telling me that I love you.
And you keep tellin me,
Telling me you love me too.
And they keep tellin me
Telling me that I love you.
You keep sayin you love me too.

(Bass Solo)

And they keep tellin me,
Telling me that I love you.
And you keep tellin me,
Telling me you love me too.
And they keep tellin me
Telling me that I love you.
You keep sayin you love me too.

(Drum Solo)

And they keep tellin me,
Telling me that I love you.
And you keep tellin me,
Telling me you love me too.
And they keep tellin me
Telling me that I love you.
You keep sayin you love me too.
