Will you please let down your walls
So I can finally come home and see I'm not like all the
other guys that you have been messing with
See I wanna give you everything
Will you please accept my heart
I wont let anything
Tear this love apart

I said
No way, no how
Not me, not now
I'm gonna prove my love is true
Breaking your heart is something I wont do
No way, no how
Not me, not now
I'm gonna prove my love is true
Breaking your heart is something I wont do

Will you please let down your walls
Cause they are way to high to climb
Girl, I know your feet must hurt babe
Cause you've been runnin through my mind
You should let me love you
Baby I will never let you down
As long as you want me
I will be around

No way, no how
Not me, not now
I'm gonna prove my love is true
Breaking your heart is something I wont do
No way, no out
Not me, not now
I'm gonna prove my love is true
Breaking your heart is something I wont do

I love you with all of my heart
As long as I'm breathing
Nothings gonna tear us apart
I love you
And I need you
And nothings gonna change my mind

Oh yeah yeah no way

No way, no how
Not me, not now
I'm gonna prove my love is true
Breaking your heart is something I wont do
No way, no how
Not me, not now
I'm gonna prove my love is true
Breaking your heart is something I wont do
