Michael Warren
"You"

I would give up
All the girls
Because I want you
To be in my world

You're so special
You look so good
I'm glad that I found you
Cause I never thought I would

And all these things make me believe
That we were meant to be
Cause I don't want to be lonely
Just be my one and only
Cause I want you to see
That all I want is you
To rock me through the night
Tell me it's okay
When things don't go so right

I know I have been found
But I still believe
That one day I will wake up,
You'll be next to me
Cause all I want is you

And maybe I've been looking
But I just can't find
You baby, I've gotta have you
I can't get you off my mind

You, to rock me through the night
Tell me it's okay
When things don't go so right

I know I have been found
But I still believe
That one day I will wake up,
You'll be next to me
Cause all I want is you

To rock me through the night

Tell me it's okay
When things don't go so right

I know I have been found
But I still believe
That one day I will wake up,
You'll be next to me
Cause all I want is you
Cause all I want is you
Cause all I want is you
Yeah, cause all I want is you.
