You know
I was looking for you
No calls back, I really missed you
You know I
Regretted my rejections to accept you
Feeling something new, fast, intense and painful

You know that I enhance my words
Writing down before I talked to you
Not so funny to look as a fool
Try to control
Myself to be cool to you

Your silence disturbed my days
Meaning something that you should say
Two blocks from home,
So far from heart avoid to think about, but every
second
You cross my...

You know
I was looking for you
No calls back, I really missed you
You know I
Regretted my rejections to accept you
Feeling something new, fast, intense and painful

Your silence disturbed my days
Meaning something that you should say
Two blocks from home,
So far from heart avoid to think about, but every
second
You cross my... my mind [2x]
