Desert loving in your eyes all the way
If I listen to your lies would you say
I'm a man without conviction
I'm a man who doesn't know
How to sell a contradiction
You come and go
You come and go

[Chorus:]

Karma karma karma karma karma chameleon
You come and go
You come and go
Loving would be easy if your colours were like my
dream
Red, gold and green
Red, gold and green

Didn't hear your wicked words everyday
And you used to be so sweet I heard you say
That my love was an addiction
When we cling our love is strong
When you go you're gone forever
You string along
You string along

[Chorus]

Everyday is like survival
You're my lover not my rival
Everyday is like survival
You're my lover not my rival

I'm a man without conviction
I'm a man who doesn't know
How to sell a contradiction
You come and go
You come and go

[Chorus x4]
