I can't wait anymore.
I will tell you what I feel.
I don't care if you'll like my words,
But I need to put the weight off my shoulders.
Listen to me one more time and let me show you what I
feel.
Listen to me one more time and see in my eyes this is
real.
I don't wanna suffer, don't wanna cry.
I just want to see you look in my eyes.
Even if you don't care about my words.
Even if you don't care about my feelings.
At least I hope you know that I'm still here.
Remember that I'm still here
