I don't wanna see your flag anymore  
I don't wanna hear my name when you talk  
I don't wanna see your drugs in this world  
At least I hope to see the people fighting for liberty  
And I screaming for anarchy! HA! HA!  
I just wanna scream for anarchy  
And everybody is fighting for liberty  
I'm sure this is the only way for a better future.  
I'm sure this is the only way  
Your mind is being wasted and you know  
Your life is being closed and you feel  
And you don't make anything to improve it  
So I'm screaming for anarchy
