Be on my shoes  
'Cuz I have different goals than you  
You can't decide what is better for me  
Thinking just like if you could  
But I'm not like you  
And I'll never be

You try to change the way I feel  
You might be wrong  
You try to change the way I think  
You might be wrong

This is my lifestyle  
So I feel free and fine  
But I know you are afraid of me  
For you, I might be the face of fear  
For you, I might be the face of fear

You try to change the way I feel  
You might be wrong  
You try to change the way I think  
The way I think  
The way I think

You try to change the way I feel  
You might be wrong  
You try to change the way I think  
You might be wrong
