Jennifer Tomkins

Was born on a Sunday

Her daddy got drunk

And left home on a Monday

Her mother she died young

When Jenny was seven

And Jennifer Tomkins

Went to work at eleven

(Work at eleven)

Oh I swear just ain't fair

Trouble trouble everywhere

Oh Lord come on down

Got to spread some love around

I swear just ain't fair

Trouble trouble everywhere

Oh Lord come on down

Got to spread some love around

Jenny she grew up

To be quite a lady

And then she met Tony

His background was shady

She gave him a love bug
Just like her mother
He left her one day
And ran off with another
(Ran off with another)
Oh I swear just ain't fair
Trouble trouble everywhere
Oh Lord come on down
Got to spread some love around
(Oh Lord come on down
Got to spread some love around
Love love everywhere
Ain't no one that seems to care)
I swear just ain't fair
Trouble trouble everywhere
Oh Lord come on down
Got to spread some love around
Oh Lord come on down
Ain't no lovin' can be found
I swear just ain't fair
Trouble trouble everywhere
O Lord come on down
Ain't no lovin' can be found
I swear just ain't fair
Trouble trouble everywhere

O Lord come on down

Ain't no lovin' can be found

I swear just ain't fair...
