[Young Deuces] + (Streetz)

Ok Mic Check 1,2 - 1,2

Crisp Linen. Fresh Nikes, and my shades light Blue
Mami see me in the Club they like 'Who Dat dude'
'ova dere by the bar girl he so cool'
From the hat to the shoes, everything be coordinated
I know you sorta hate it but it get me motivated
Dis Love thing is over rated
I one night stand ya, so when they ask, I can say we

Please believe it's the Milly's Most Wanted
Shorty shakin her ass like she got a roach on it
Mami throwin it back, like Orlando Shaq
She had Hollywood like (Ey Yo Cleaze You betta handle
dat)
So I pull her I don't waist no time
Body like a coke bottle and her face was fine
I'm like shorty where we goin yo place or mines
She said later you can cake sometime

[Chorus]

[Streetz]
